Direct *to your* **DESK**

PRODUCTS AND SERVICES GUIDE

Welcome to **AMBRA** DIRECT *to your* Desk

Whatever you're looking for in a PC you'll find it in our new catalogue.

At AMBRA, our objective has always been to deliver complete PC solutions:

The power to perform tasks quickly and easily, a price that's affordable, and the reassuring support of a reputable company.

Now with over 100,000 AMBRA PCs sold in the last year, our commitment to this objective remains intact in an ever changing market.

When you order products from AMBRA you can be sure you'll have the advantage...**the AMBRA advantage**, and here's what it means to you:

AMBRA PERFORMANCE means excellence, you'll find it in everything we do, in our service, in our products, and in our skilled technical support.

AMBRA VALUE means great price/performance

across our entire range of products and services, not just competitive prices on selected models.

AMBRA PEACE OF MIND means you can be confident that what we promise is exactly what you get, backed by the AMBRA assurance.

That's **the AMBRA advantage**.

the **AMBRA sprinta II** series. For those with one eye on the clock and the other on the future. The fully upgradeable sprinta II 486DX/33 with its integral maths co-processor returns an amazing level of performance. Makes light work of spreadsheets and number intensive accounting applications. The Local Bus VESA Graphics accelerates Windows™, while MS DOS 6.0 DoubleSpace effectively doubles the 170MB hard disk drive - all this at a truly number crunching price.

- Pentium Technology Ready - For the next generation of Intel processors
- Intel 486DX/33 with integral cache
- 4MB RAM as standard
- VESA Local Bus Graphics accelerates Windows applications at up to 10 times faster than standard SVGA
- 170MB hard disk drive (340MB with MS DOS 6.0 DoubleSpace)
- Integral maths co-processor
- 14" SVGA LR MPRII compliant colour monitor
- Keyboard, mouse, mouse-pad, on-screen tutorials and AMBRA'S highly acclaimed User Manuals
